April, 2009

Details Collections

Asalamo Alaikum Wa Rahmato Allah Wa Barakatoho,
Dear Parents / Guardians,

Al-Iman School had dedicated the month of April for its fundraising. 4 events were organized during that month. All the money collected (less cost) went toward the school fund for future uses including school supplies, school activities, tuition waiver for students in need, and so on.

One of the school successful fundraising events over the last 2 years is “Penny Bank Fundraising”. During such activity, students learn how to work and dedicate time and effort for a valuable cause. Below are the details for each event.

Jazakum Allahu Kairan for your continuing support & generous contributions,
